

Jiuheng He

Postdoctoral Research Fellow

Interactive Media and Business, NYU Shanghai

Shanghai, China.

E-mail: jh10436@nyu.edu

Website: www.jiuhenghe.com

(Updated 2026.7)

Academic Position

Aug. 2025 - present

Critical AI Studies Postdoctoral Research Fellow, Interactive Media and Business, NYU Shanghai

- Leading two research projects on prompt engineering and human-AI interaction, supported by grants including the *Shanghai Super Postdoctoral Program* and the *Shanghai Postdoctoral Talent Recruitment Program*.

Education

Sept. 2018 – Aug 2025

Ph.D., Science and Technology Studies, Cornell University.

Dissertation committee: Prof. Stephen Hilgartner (Chair), Prof. Michael Lynch, Prof. Ronald Kline

Dissertation: *The Go Community and AlphaGo: An Ethnographic Study of An Encounter with AI*

Sept. 2018 – Jun. 2021

M.A., Science and Technology Studies, Cornell University.

Sept. 2016 – Jul. 2018

M.A., Science and Technology Studies, Tsinghua University.

Sept. 2012 – Jan 2016

B.A., Journalism and Communication, Tsinghua University.

Publication

2026

Jiuheng He. “Redefining human Go experts in the post-AI era: Perspectives from the sociology of professions and expertise”. *Big Data & Society*, 13(2), [doi: 20539517261465667](https://doi.org/20539517261465667).

Jiuheng He. “Governing Cheating with AI: Rethinking Truth and Morality in the Era of Go AI” Submitted to *Science Technology & Human Value* [under review]

2025

Jiuheng He. “Reshaping the Value of Science in a Complex Era: A Review of *Why Democracy Needs Science*.” *Science and Society* [in Chinese] 15(1) (2025): 161–172. <https://doi.org/10.19524/j.cnki.10-1009/g3.2025.01.161>.

2022

Jiuheng He. "The Go Community under the Wave of Artificial Intelligence: An Interview with Go World Champion Gu Li 9-Dan." *Journal of Intelligent Society* 1.01(2022):208-216. doi:CNKI:SUN:ZNSH.0.2022-01-024. [In Chinese]

- 2020 **Jiuheng He.** "The premise of machines acquiring human knowledge: having a body or mastering language?" *Tsinghua Sociological Review*.02(2020):46-62. doi:CNKI:SUN:QHSP.0.2020-02-004. [In Chinese]

Work in Progress

- 2026 *Engineers, Magicians, Craftspeople: Metaphor Work and the Politics of Prompt Engineering* (Manuscript in preparation)
- As generative AI becomes embedded in social life, prompting has emerged as a critical cultural technique and the primary interface mediating human intent and machine output. This paper analyzes a corpus of academic papers, technical documentation, and online community discussions to identify three dominant metaphors that structure the social understanding of prompt engineering.

Conferences

- Sept. 2025 Presentation entitled "*“Hand conversation” with machines: How Go Embodiment Is Transformed by AI*", Society for Social Studies of Science 2025, Seattle, United States.
- July. 2024 Presentation entitled "*How do we understand Go AI: knowledge production after the revolution of AlphaGo*", Twenty-fourth International Conference on Knowledge, Culture, and Change in Organizations, Lisbon, Portugal.
- Apr. 2024 Presentation entitled "*Redefining human Go experts in post-AI era: perspective from sociology of professions*", Science Studies Research Group in Cornell STS department, Ithaca, United States.
- Nov. 2023 Presentation entitled "*Understanding Knowledge Produced by AI: The Go Community After the Revolution of AlphaGo*", Society for Social Studies of Science 2023, Honolulu, United States.
- Oct. 2023 Presentation entitled "*Blurring the Boundary Between Human and Machine: Cheating with AI in Go Community*", Science Studies Research Group in Cornell STS department, Ithaca, United States.
- Dec. 2022 Presentation entitled "*Knowledge production under the ‘oracle’ of AI: an empirical study on AlphaGo and Go community*", Society for Social Studies of Science 2022, Mexico.
- July. 2022 Presentation entitled "*Interpretability Issue of machine learning and ANNs in practice: A Case Study on Go AI (机器学习与人工神经网络在实践中的可解释性问题——围棋人工智能的案例研究)*", Annual Conference of Chinese Sociological Association 2022, online.
- Apr. 2022 Presentation entitled "*How to Understand Machine Learning Algorithms: A Case Study on Go AI (如何理解基于机器学习的人工智能——围棋人工智能的案例研究)*", 2022 AI Philosophy Frontier Forum, Beijing, China.

Apr. 2021	Presentation entitled “ <i>Unveiling the Black Box of AlphaGo: Interpretability and Transparency of machine Learning</i> ”, Science Studies Research Group in Cornell STS department, Ithaca, United States.
Apr. 2020	Presentation entitled “‘ <i>Move 37</i> ’: <i>Discursive Moves in AlphaGo challenge match</i> ”, Science Studies Research Group in Cornell STS department, Ithaca, United States.
Nov. 2019	Presentation entitled “ <i>God of Go: Discursive Moves in Understanding AlphaGo</i> ”, Cornell East Asia Program Lunch Dialogue Series, Ithaca, United States.
Sept. 2017	Presentation entitled “ <i>Mundane reason in scientific community: a study on Han Chunyu’s controversy over genetic editing and its solution</i> ”, Society for Social Studies of Science 2017, Boston, United States.
Aug. 2016	Presentation entitled “ <i>Interaction between Reviewers, Editors and Authors during Production of Scientific Knowledge</i> ”, Annual Conference of Chinese Sociological Association 2016, Lanzhou, China.

Teaching Experiences

Aug. 2023- Dec. 2023	Instructor, “ <i>STS 1123 Technology and Society: History of Artificial Intelligence</i> ”, Cornell University.
2019 - 2025	Teaching Assistant for following courses at Cornell University: “ <i>Information Ethics, Law and Policy</i> ”, instructed by Prof. Gili Vidan and Prof. Daniel Susser “ <i>Ethical Issues in Health and Medicine</i> ”, instructed by Prof. Kim Overby “ <i>Computing Cultures</i> ”, instructed by Prof. Malte Ziewitz “ <i>What is Science?</i> ”, instructed by Prof. Stephen Hilgartner “ <i>Designing Technology for Social Impact</i> ”, instructed by Prof. Chris Csíkszentmihályi

Grant and Awards

2025	Shanghai Super Postdoctoral Program (\$40,000)
	Shanghai Postdoctoral Talent Recruitment Program (\$20,000)
2023	Cornell Graduate School Conference Grant (\$2000)
	Society for Social Studies of Science Conference Travel Grant (\$500)
	The CCSS QuIRI (Cornell center for Social Sciences Qualitative and Interpretative Research Institute) Small Grants Program (\$2000)
2022	Cornell Graduate School Research Travel Grant (\$1500)
2018-2023	Cornell Sage Fellowship

Media Coverage

June. 2026	Public Lecture invited by YiXi “围棋是 AI 时代的一场预演” (Go as a Rehearsal for the Age of AI). https://www.youtube.com/watch?v=GgZXxF8eBHA (YiXi is a leading Chinese public lecture platform modeled on TED, with archived talks reaching millions of viewers.)

April. 2026	Interview by <i>Southern People Weekly</i> . “不能把 AI 冲击的结构性问题转嫁为个人责任——专访 STS 学者贺久恒” (AI's Structural Disruptions Shouldn't Be Reframed as Personal Responsibility — In Conversation with STS Scholar He Jiuhe). https://mp.weixin.qq.com/s/CQKtJOnCq9b0LiNuxUTUwA
April. 2023	Interview by <i>CNN</i> . <i>How AI turned the ancient sport of Go upside down</i> . https://www.cnn.com/2023/03/24/asia/ai-disruption-go-sport-hnk-intl-dst/index.html
April. 2026	Interview by <i>Southern People Weekly</i> . “不能把 AI 冲击的结构性问题转嫁为个人责任——专访 STS 学者贺久恒” (AI's Structural Disruptions Shouldn't Be Reframed as Personal Responsibility — In Conversation with STS Scholar He Jiuhe). https://mp.weixin.qq.com/s/CQKtJOnCq9b0LiNuxUTUwA

Services

2022-2024	Member of Junior Editorial Board of <i>Journal of Intelligent Studies</i> (An interdisciplinary peer-reviewed Journal in China)
2018-2023	Member of Cornell East Asia Program’s Graduate Student Steering Committee
2019-2020	Treasurer of Cornell STS Graduate Student Association
2017	Volunteer for the annual conference of Society for Social Studies of Science 2017

Skills and Language

Programming: Python (Advanced; BERTopic), C/C++ (Foundational).
 Languages: Chinese (Native), English (Full Professional Proficiency).
